Subject: Re: MINORITIES IN BROADCASTING NON PROFIT

Ms Kelly,

I was able to locate a record in our system for the organization **Minorities in Broadcasting Training Program**. The organization is registered with our office with a Charitable Trust registration number of 091539. The organization is delinquent in filing their required annual reports, our records show they last submitted data for the fiscal year ending 12/31/2001. I do not show that the organization is registered to conduct raffles as required by law.

Our records show an address of 1229 Hi Point Street, Los Angeles, CA 90067 which is also the address the Secretary of State's office shows for the organization.

Please let me know if you have any additional questions.
